

Pyramid Partnership, Inc.

PUBLIC NOTICE

Pyramid has been taking proactive measures to address the rapid and evolving health concerns due to the CORVID-19. The health and safety of participants, staff, and community members is our top priority.

Because of these concerns, our office is closed with Pyramid Partnership, Inc. discontinuing all person-to-person services until further notice. We will however continue to offer career coaching and job placement services to job seekers and candidate referrals to our business partners remotely. As soon as other on-line services become available, we will post how to access them on our Facebook or website pages and through email blasts to customer lists.

All services and assistance will be provided via phone call or email with a career coach or business service representative. Pyramid is fully committed to supporting its program participants and providing quality services to its employers, and business associates. Pyramid's Career Coaches, Business Service Representatives, Directors and Staff departments will work closely with all its program participants to ensure you are assisted in the fullest capacity during this time while also following public safety measures and directives from State, County, and City officials.

Please call the main line for a directory of staff to assist you at: 312-281-7925 or email training@pyramid-pci.com.
